## Presenter Proposal Form

The Vancouver Island Homesteading Fair will be taking place on **September 21st**, between 10am to 4pm and will be located at **the HUB at Cowichan Station**. The hosting organization is the Cowichan Community Workshop Co-Op.

The Fair includes a full day of presentations to the public that are based on our mission of facilitating 'Earth conscious, sustainable living on Vancouver Island'.

Presentations are 45 - 50 minutes in length. We encourage an abundance of visual and experiential interactions as part of the presentations. You are welcomed to promote your business (if applicable), and have items available for sale. While grateful for all proposals, there is space for 12 presentations, and there will be variations from previous years.
